RE: Application of Condor Environmental, Incorporated Requesting an Expansion of
Its Existing Sewer Service Area to Include Certain Portions of Anderson County
and Approval of Agreement (Expedited Consideration Requested)
Docket No. 2020-275-S

Dear Mr. Butler:

On February 10, 2021, the Public Service Commission ("Commission") entered Order No. 2021-92 directing, among other things, that the Office of Regulatory Staff ("ORS") submit its status report by March 1, 2021. ORS is continuing to diligently review discovery responses provided by Condor Environmental, Inc. on February 16 and prepare the Status Report requested by the Commission. ORS respectfully requests an extension until March 8, 2021 to file the status report with the Commission. ORS has consulted with Condor, and Condor does not oppose ORS's request for an extension.

Sincerely,

s/ Alexander W. Knowles
